

National Fuel Gas Company to Participate in American Gas Association Financial Forum

(April 25, 2008) Williamsville, N.Y.: National Fuel Gas Company ("National Fuel") (NYSE: NFG) will participate in the American Gas Association Financial Forum on May 5, 2008, in Miami Beach, Fla. The conference features presentations by executives from various companies in the energy sector. Additionally, it provides a platform to discuss relevant industry-wide issues, as well as the outlook and opportunities for companies within the energy sector.

Presenting on behalf of National Fuel will be David F. Smith, President and Chief Executive Officer, Matthew D. Cabell, President of Seneca Resources Corporation, National Fuel's wholly-owned exploration and production subsidiary, and Ronald J. Tanski, Treasurer and Principal Financial Officer of National Fuel.

The presentation will be available as a live webcast beginning at approximately 9:05 a.m. EDT on Monday, May 5. To access the webcast, visit National Fuel's Web site at investor.nationalfuelgas.com. The webcast will also be available for on-demand viewing shortly after the conclusion of the presentation through the same Internet location, and will be accessible until the end of business on Monday, May 12, 2008.

National Fuel is an integrated energy company with \$4.0 billion in assets comprised of the following five operating segments: Utility, Pipeline and Storage, Exploration and Production, Energy Marketing, and Timber. Additional information about National Fuel is available on its Internet Web site: <http://www.nationalfuelgas.com> or through its investor information service at 1-800-334-2188.
